PRODUCT CATALOGUE 2021

## OUR STORY

From taking over a small bird seed business in 2012 based in Durban, Valemount is now the largest bird seed manufacturer in South Africa with the ability to service any customer anywhere in the country.

With no experience in seed and grain, Rob and Damien Westerman faced overwhelming odds. These challenges forced a different approach to the bird seed market and ultimately changed the industry for the good.

Over the past few years Valemount has expanded to 4 regional distribution and manufacturing centres across South Africa providing employment to over 216 people.

Valemount has also increased its basket of goods, supplying leading global brands to the South African market.

## OUR VISION

To be the leading pet company in Southern Africa.

## OUR CORE BELIEFS

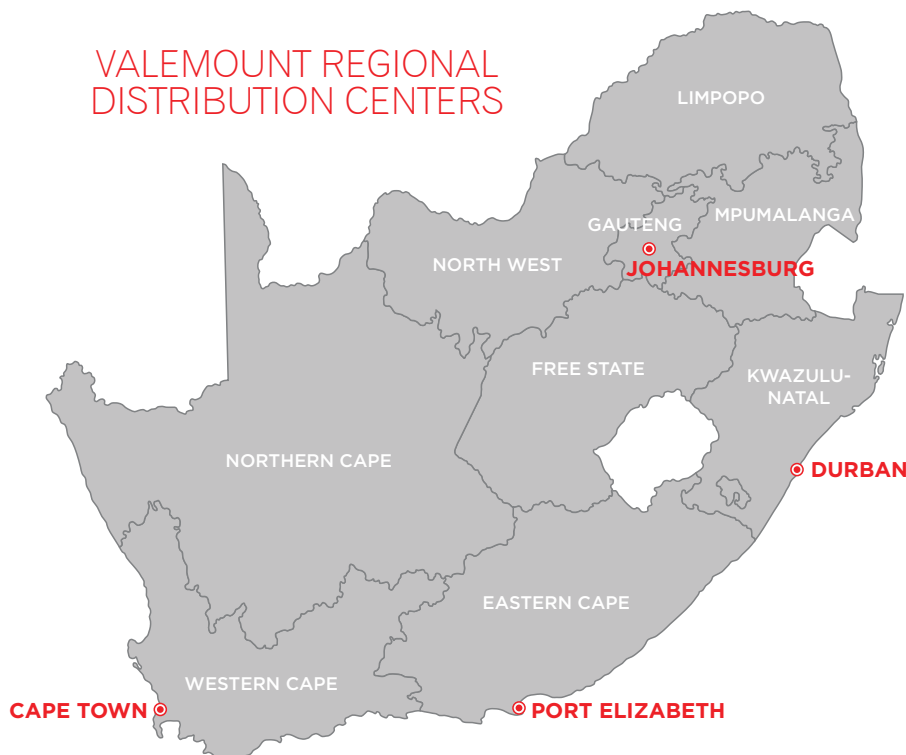

Innovation, integrity, quality, agility, humility, excellence & passion.

**CAT WANDS & TOYS**

Playing is a vital activity for cats. Cats are predators by nature, just because they are indoors, does not mean that they don't have the instinct to hunt. This is where play and toys comes in and is vitally important for them. Toys help provide a stimulatory environment for your cat, making for a happy cat. Play also gives them an outlet for their energy.
